## WELCOME

IDENTEX and the IDA Autumn Meeting is the perfect combination of superb trade exhibition and lectures on practice management and clinical issues which will earn CPD points for you and your team members. The IDA is very pleased to be working with the IDTA in this venture. It represents an ideal co-operation where dentists benefit from the input of both bodies. We hope that you enjoy the experience of both the show and the lectures, and that you will find both to be of great benefit for you.

**Dr Peter Gannon**  
*President*  
*Irish Dental Association*

IDENTEX is the show at which the members of the Irish Dental Trade Association present our new products and services to the dental profession. We get to demonstrate the latest developments and technologies to dentists, nurses, practice managers, dental technicians and hygienists, and we are delighted to be able to combine our excellent trade show with the IDA Autumn Meeting lectures. We believe that every dental professional who visits IDENTEX 2014 will benefit in many ways.
