

WELCOME

As President of the Kerry Branch, I am delighted to invite you to 'Kerry Voices 2', our Annual Scientific Meeting for 2017. The venue for this year's meeting, which takes place on Friday, October 20, is the wonderful Hotel Europe in Killarney, and we are proud to offer an excellent line-up of speakers on a range of topics. Dr Donal Blackwell will cover resin-bonded bridgework and Mr Paul Keogh's presentation will focus on intra-oral and extra-oral lesions. Periodontal treatment and maintenance will be the focus of Dr Paul Quinlan's lecture, while Susan Barrett will look at how mindfulness can support us in managing work stress. We hope you will also join us for dinner in the Hotel Europe on Friday evening. I look forward to seeing you all in Killarney.
