

WELCOME

As President of the Kerry Branch, I am delighted to invite you to 'Kerry Voices 3', our Annual Scientific Meeting for 2018. The venue for this year's meeting, which takes place on Friday, October 19, is the wonderful Hotel Europe in Killarney, and we are proud to offer an excellent line-up of speakers on a range of topics. Dr Michael O'Sullivan will cover occlusion in 2018 and Dr Michael Hartnett's presentation will focus on endodontics. Digital versus analogue dentistry will be the focus of Dr David Murnaghan's lecture, while Joe O'Connor will speak on 'Strategies for Life Performance'. We hope you will also join us for dinner in the Hotel Europe on Friday evening. I look forward to seeing you all in Killarney.

Dr Tom Twomey
President, Kerry Branch

ADA CERP® | Continuing Education Recognition Program

Irish Dental Association is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Irish Dental Association designates this full activity for 5.15 hours continuing education credits.

WITH THANKS TO OUR SPONSORS

SPEAKERS

Dr Michael O'Sullivan

Michael was appointed a Senior Lecturer/Consultant in Restorative Dentistry at the Dublin Dental University Hospital (DDUH) in 2001. He was Clinical Director of the DDUH from 2009-2015. He is currently Director of Teaching and Learning (Postgraduate) for the School of Dentistry and Director of the Graduate Prosthodontic Ch.Dent programme. His main clinical and teaching interests are the management of developmental dental anomalies and dental occlusion and function.

Dr Michael Hartnett

Michael graduated from UCC in 1998. He worked in General Practice for four years. He received a Master of Science in Endodontics from the University of Washington. He was a Lecturer for the MSc Endodontics programme in the Eastman, London for three years. He opened his first endodontic practice in Munster in 1996.

Dr David Murnaghan

David qualified from Queen's University Belfast in 2006. He completed a year-long implant certificate and has now placed and restored over 1,000 implants. David is the Regional Director of the Northern Ireland Division of the Faculty of the Royal College of Surgeons of England and was its youngest director at 32. In 2012, David set up Boyne Dental and Implant Clinic in Navan, which has won many awards. David is the founder of Boyne Dental Academy, which runs multidisciplinary courses and a foundation implant training programme. David hopes to share his journey into the realms of digital dentistry and help the integration of this within your practice.

Mr Joe O'Connor

Joe has worked in the fitness industry since 1998 and is a Lecturer in Exercise Physiology since 2006. As a fitness consultant, he has worked on improving performance with many organisations, teams and athletes including those competing at European, World and Olympic Games. Joe has also worked as the performance consultant and referee to the RTÉ show *Ireland's Fittest Family* for all five seasons.
