WELCOME

On behalf of the Kerry Branch of the IDA, I would like to welcome you to Kerry Voices 6, our annual scientific meeting.

We have a full day of lectures planned that will cover all aspects of dentistry, finishing with a lecture from Gaelic football and basketball legend Kieran Donaghy.

As always, we will have a trade show running alongside our lecture room, so please take some time to see what is on offer there. We are lucky to have the backing of so many trade companies, so they deserve our full support in return.

Once again, the venue is the award-winning five-star Europe Hotel & Resort in Fossa, Killarney, Co. Kerry, which is located on the shores of Lough Leane, in close proximity to Killarney Golf Club and Killarney National Park.

We hope you have a great day and that you can join us for dinner and drinks that night in The Europe Hotel & Resort.

President, Kerry Branch
