

**DR. DONAL BLACKWELL:**

Donal Blackwell graduated from the Dental School at Trinity College Dublin Ireland in 1988. Following a number of years in General Practice, he completed his Masters Degree Programme in Restorative Dentistry at the Eastman Dental Institute London in 1996. He returned to the South East of Ireland to open a referral practice concentrating on crown and bridgework and implant dentistry. In 2004 he moved with his family to New York City to undertake further post-graduate studies, a two year full time Advanced Programme in Implant Dentistry at New York University. He completed this programme and returned to Ireland in 2006. Donal works in Waterford City, Ireland in Practice Limited to Fixed Prosthodontics and Implant Dentistry.

**DR. NAOMI RICHARDSON:**

Naomi completed a Masters in Endodontics, with Distinction at the Eastman Dental Institute, London in 2004. She has since focused solely on root canal treatment at her practice in Kilkenny. She also has a dental degree from Trinity College Dublin and a postgraduate certificate in conscious sedation and pain management from the Eastman Dental Institute, London.

**DR. JUSTIN MOLONEY:**

Justin qualified from Trinity in 1988 and worked for 18 years as a general dentist, the last 10 of which were in his own practice. He then worked for 2 years as a senior house officer in oral and maxillofacial surgery in Sheffield and Dublin followed by three years as an oral surgery specialist registrar leading to the D.Ch.Dent. (Oral Surgery) qualification. He is on the oral surgery specialist register and has also obtained an FFD (OS) from the Royal College of Surgeons Faculty of Dentistry. He is in private practice in Dublin and Waterford.

## SPEAKERS

### DR. MICHAEL ORMOND:

Michael qualified with an honours degree as a dentist from Trinity College Dublin in 1995. He worked as a House Surgeon in Dublin Dental Hospital in 1996 before moving back to his native Tipperary to work in general dental practice for 3 years. During this time he completed his membership exams at the Royal College of Surgeons in Edinburgh and completed a course in craniofacial growth and development in America. Michael returned to Trinity in 1999 to study for three years before attaining a Masters in Orthodontics in November 2001. Michael also received a fellowship in Orthodontics from the Royal College of Surgeons, Ireland. Michael then worked in the Orthodontic Department in St. James' Hospital in Dublin for three years while setting up his private practice in Kilkenny at the same time.

### DR. EIMEAR NORTON:

Eimear graduated with honours from the Dublin Dental Hospital in Trinity College in 2004 and began her career working in general dental practice and the Health Service Executive Dental Service in Kilkenny. During this time she developed a keen interest in the dental care of children and attained her Membership of the Royal College of Surgeons.

In 2007 she returned to full time education in Trinity College and on completion of a three year full-time programme was awarded her Doctorate in Paediatric Dentistry with first class honours in 2010. After graduation Eimear worked as a paediatric dentist in Our Lady's Hospital for Sick Children in Crumlin and in private paediatric practice at the Burlington Dental Clinic. In 2011 Eimear completed her Fellowship in Paediatric Dentistry at the Faculty of Dentistry at the Royal College of Surgeons in Dublin.

### DR. EAMONN MURPHY:

Eamonn graduated from dental school in Cork, Ireland in 1995. He worked as a general dentist for three years before embarking on an advanced training programme limited to Orofacial Pain Management and TMJ disorders at the University of California, Los Angeles (UCLA) in 1998. He completed a clinical training Residency programme at the UCLA medical centre and dental school and completed a Masters of Science in Oral Biology. He returned to Ireland in 2001 and established his practice in Cork and Limerick which is devoted to the management of TMJ and Orofacial Pain patients. He has lectured locally, nationally, and internationally to dentists, medical doctors, ENTs, Pain Anaesthetists / Consultants, physiotherapists, osteopaths, endodontists, and multiple chronic pain support groups. He authored 'Managing Orofacial Pain in General Practice' published by Quintessence.
