

CHILDREN’S DENTISTRY IN A DAY; UPDATE AND REVIEW

IDA in collaboration with the EAPD (Irish Division) is delighted to bring to you our second full day of paediatric dentistry this autumn. Similar to our SOLD OUT event in 2023, the day is aimed at those who are treating children in their practice, both public and private. This intensive day will give delegates an understanding of contemporary techniques in paediatric dentistry through presentations and practical demonstrations.

8.45am–9.15am	Tea/Coffee/Registration	
9.15am–9.30am	Welcome and President’s introduction	Dr Yvonne MacAuley, EAPD (Irish division) and Dr Will Rymer, IDA
