He's been a consultant since 2006 and worked in Northern Ireland until 2018, when he commenced his

WELCOME

I would like to welcome you to the South Eastern Region Annual Scientific Meeting 2024. This always has been a popular conference and I am hoping this year will be no different.

We have an excellent line up of speakers this year, covering a large scope of dentistry, so there is something for everyone on this programme.

The ASM takes place this year in the Newpark Hotel, Co. Kilkenny, a beautiful four-star hotel conveniently located just outside Kilkenny town and off the M9.

We are looking forward to seeing friends and colleagues in Kilkenny and to a successful 2024 ASM.

Dr Joseph Mahon,
President of South Eastern Region.
